Society**

**ACS Studio
Prize 2020**

Guide to Applying

About the Prize

ACS is offering an artist the chance to win £4,500 to contribute to the cost of an artist's studio in the UK. As part of the submission process, you will be asked to upload a PDF portfolio which features images of your work and a statement about your practice. To help you, we have created this guide.

It is in your interest to read the guide before submitting your application at www.acsstudioprize.com.

What should you include in your portfolio?

It should come as no surprise that your portfolio is the most important part of your application. Tell us about your work, how you work, and what winning the Prize will mean to you and your practice!

Each PDF portfolio must be between 4,500 KB and 14,000 KB and contain:

⇔ A minimum of 10 and a maximum of 15 images of your work

Make sure that all of the images are of good quality. Low-res images will not show your work in the best light!

Ensure that all images are accompanied by full captions (artwork title, artwork size, medium)

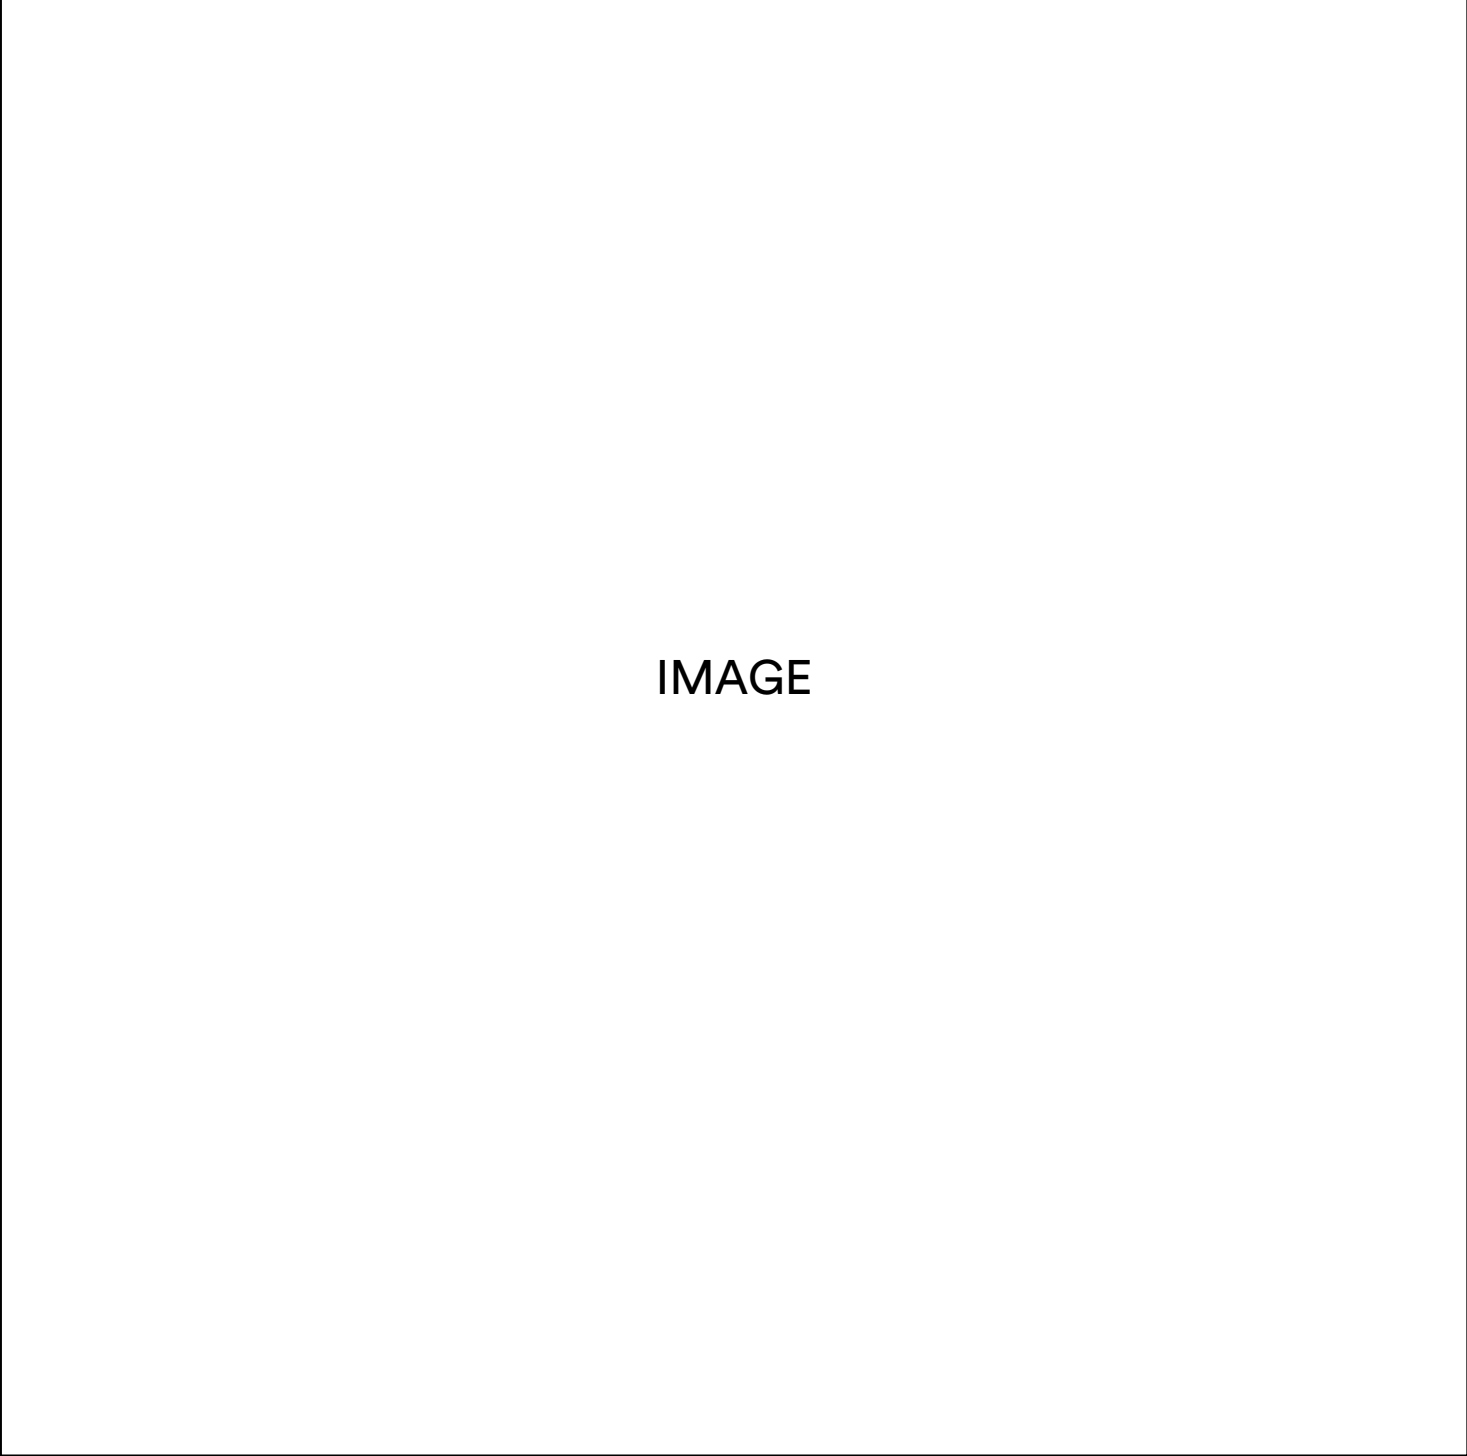

⇔ A 750 – 2,000 word statement

We are interested in your work and how it has developed, where you intend to take your practice and why you need a studio

How do you think your work will develop if you had your own studio - how will winning the Prize impact your work?

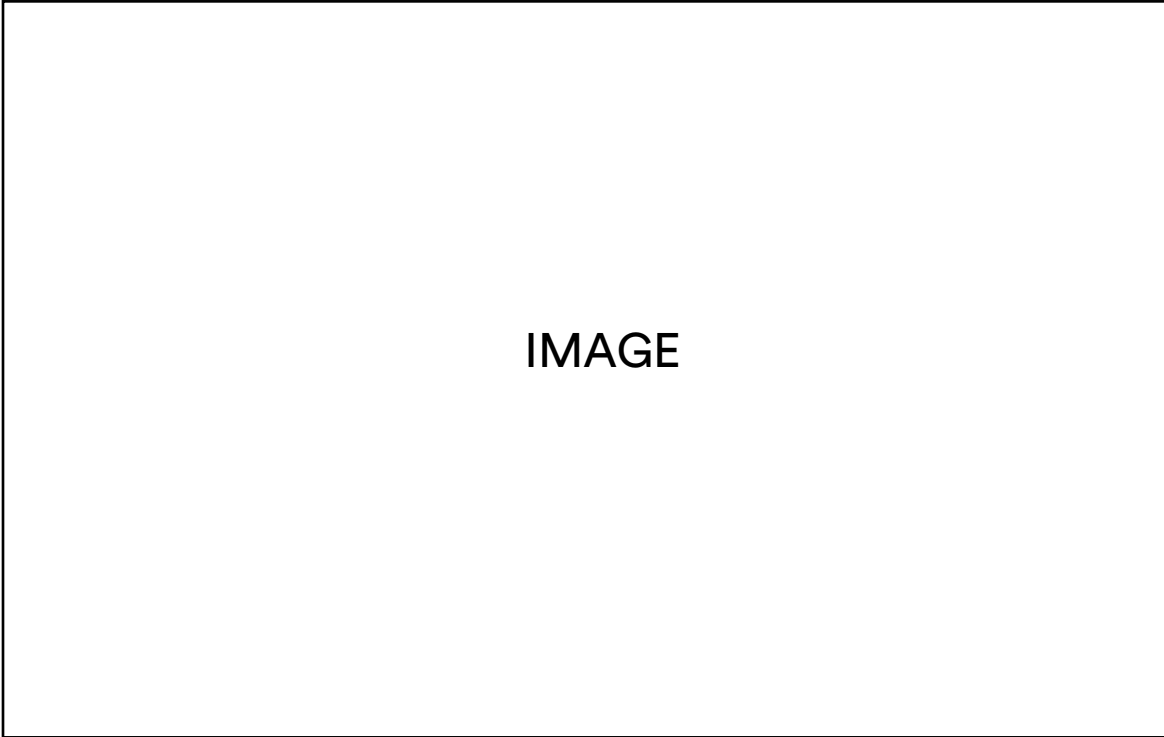

Please see the following pages for an example of how your portfolio can be laid out.
